

1a.

My name is Levi Aron, reside at [REDACTED].

on Monday evening Around 5:30P I went to my dentist Dr. Sorcher To make A Payment for visit for exam routine. A Boy Approached me on where the Judaica Book Store WAS, he WAS still there when went out from the dentist's Office. he asked me for a ride to the Judaica Book Store, while on the way, he changed his mind and WAS <sup>wedding in murray</sup> sure where he wanted to go. So I asked if he wanted to go for the ride <sup>since my back was hurting</sup> since I didn't think I WAS going to stay for the whole thing <sup>he said OK</sup>. Due to traffic I got BACK around 11:30p. And MY BACK WAS hurting from ~~earlier~~ that day. so I brought him To my house, thinking I'd bring him to his house the next day. He watched TV, then fell asleep in the front room, I went to the middle room to sleep That next mornig he WAS still sleeping when I WAS ready to leave. So I wake him and told him, I'll Bring him to his house when I get back. Afterwards, <sup>towards</sup> the end of the day when I saw the fliers, I ~~panic~~ <sup>panic</sup> And WAS affraid, when I got home he WAS still there. so I made him a Tuna sandwich. I WAS still in panic from the fliers and Affraid to Bring him home (his house). That is when Approximately I went for a towel <sup>in the side room</sup> to smother him & he fought back a little bit untill eventually he stopped Breathing. Afterwards, I ~~panic~~ <sup>panic</sup> Because I didn't know what do with The body, after ABOUT 15-20 MINUTES, I carried the body To the front room, To start ~~by~~ placing him on the red MATTRESS, where I cut ~~the~~ <sup>one</sup> Leg at the Hip. Then carried the two parts to the BACK room ~~after~~ <sup>placing</sup> placing the Two PARTS Between freezer and Fridge, then PLACING PLASTICS covering Floor And TABLE, WAS having trouble the Leg to fit in the ~~bag~~ Bag, so I had To cut at Bottom. Then separating the other Leg in same PLACES. I PLACED the PARTS in freezer. Then Showered. Went to clean up a little Then took a second Shower, I ~~panic~~ <sup>panic</sup> And Looked for something to TRANSPORT the PARTS. Then PUTTING the PARTS in a SUITCASE. Then carrying SUITCASE to the car, then left. PLACING SUITCASE in BACKseat on floor Behind Passenger side, then Pulled out, Drove around APPROXIMATELY Around 20 MINUTES Before PLACING <sup>in</sup> in DUMPSTER on 20 ST Just Before 4th Ave. Then went home. To clean and organize. I understand This MAYBE wrong and I'm sorry for hurt that I've caused.
